Notes: Huntington is a classic Santa Barbara County Pinot Noir. It is medium bodied with layers of light red fruits, cooking spices and umami flavors. Nose offers up black pepper, red raspberry, black truffle and orange peel. The palate bursts forward with light fruits, cinnamon and cherries which are backed up by citrus flavors and juicy acidity. The finish shows off elegant tannins and lingering flavors of mushroom and wet earth/ soil.

2017 Huntington is made from 100% Pinot Noir.
