Notes: Our P.C.H. Rosé is named for the scenic Pacific Coast Highway that runs along much of the California coastline, the perfect spot to sip our dry, crisp style of Central Coast Rosé of Pinot Noir. This Rosé is made from a combination of whole-cluster pressed Pinot Noir grapes, and blended with ten barrels of saignée made from premium Pinot Noir growing vineyards. This wine was barrel-aged entirely in french oak for 4 months and then bottled in February 2019.

Tasting notes of juicy ripe red cherry, white peach, apricot and rose.

P.C.H. is made from 100% Pinot Noir.
