STA. RITA HILLS, CA.
PINOT NOIR

This was the first Pinot Noir to be produced from our Pali Estate Vineyard in Sta. Rita Hills. Planted in 2012, this 50-acre vineyard is located in Gypsy Canyon along the Hwy 246 corridor and sits on a gentle, Southeast-facing slope with mostly sandy soils. Extremely low yields from this inaugural harvest afforded us limited, but high-quality fruit to craft this wine. A blend of clones 828, Pommard, 777, and 2A comprise this Estate Grown wine, which was fermented and aged separately in small lots. Barrel-aged in 50% new French oak and bottled in April 2017.

"A delicate Pinot Noir with nuances of raspberry and cherry coupled with perfumed elements of jasmine and mint on the nose."

VARIETAL COMPOSITION: 100% Pinot Noir from Sta. Rita Hills, CA.

COOPERAGE: 15 months in barrel; 50% new French oak.

TECHNICAL DATA: 14.8% alcohol by volume; bottled April 2017, 154 cases produced.
